Utilities Division

DATE: January 23, 2002

RE: **COMPLIANCE TO DECISION NO. 63910** - REQUEST FOR
EXTENSION OF TIME. (DOCKET NO. T-03995A-01-0145)

On October 22, 2001, Affordable Voice Communications, Inc. ("Affordable") submitted correspondence requesting an extension of time to comply with one condition in the decision granting Affordable authority to provider resold interexchange telecommunications services (Decision No. 63910). Affordables' CC&N was conditioned on the Company notifying the Compliance Section of the Utilities Division of the date that the Company will begin or has begun providing service to Arizona customers. Affordable did not comply and its CC&N is void. Staff recommends that Affordable be granted an extension of 45 days to comply with the order. In addition, Staff recommends that no further extensions of time for compliance be granted.

Re: Docket No: T-03995A-01-0145 Decision No: 63910 Dated: 08/06/2001

Arizona Corporation Commission:

Affordable Voice Communications Inc. requests another extension in time to comply with the compliance actions stated in the Commission's *Notice of Compliance*, dated August 9, 2001. AVC has not completed the negotiations with the new underlying IXC to provide services within the State of Arizona. AVC expects to complete this agreement and file with the Commission the compliance actions by April 1, 2002 and to initiate service to Arizona customers at that time. Should AVC be ready to offer service sooner, then AVC will notify the Commission.

Sincerely,

Charles R. Combs
